Principal Report - Dr. Steidinger/Ms. May

County sending new laptops for staff before EOY. Still need some sooner. Can use money for student devices. May get engineering "break out" games. May investigate new carpet.

Police rep, Area Superintendent, head of sc security, wake county public transportation, and Town of Apex reps observed carpool situation today. Increased green light amount on Kelly. Everyone agreed double stacking will not solve issue. Will observe in afternoon next week.

Still capped school and will still be capped next year (priority for kindergarten: siblings first, then registration date). Salem is overflow for calendar.

Treasurer Report - Sharon Putney

Unlabeled money found for treasurer. If you have been leaving money, please contact Sharon.

Do we have a sister school (as some teachers are sponsoring classes at other schools for supplies)? From Dr. S – not one for whole school. Can investigate.

Can lego club be moved to not conflict with walk to school Wednesday? Only 1 or 2 more conflicts this year.

Dr. S will follow up with Ms. Brockway about needs for Art By Me funds.

Will work with Mr. Derr about outside setup. New games came from AFHS. Will try to get high school volunteers again. Working on list of volunteer tasks to send to Deck Hands who were interested in Carnival. Carolina Family Denistry will sponsor photo booth. Not doing raffle baskets this year.
